

REGISTERED TECH APPRENTICESHIP PROGRAM

Program Prospectus

Registered Tech Apprenticeship Program

Our unique Registered Tech Apprenticeship program provides a straightforward, step-by-step track to in demand jobs.

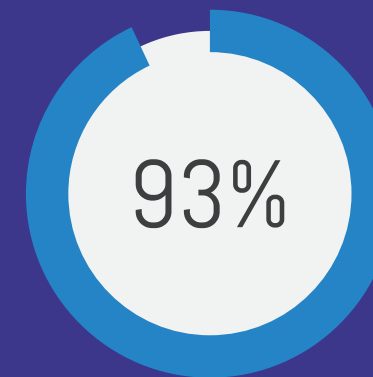

- Selected candidates are hired as full-time employees and will attend technical certificate programs.
- Apprentices will receive 1000 - 2000 hours of on-the-job training.
- At the completion of the apprenticeship program, apprentices will be awarded a U.S. DOL certificate of completion that indicates specialized training in a particular occupation.

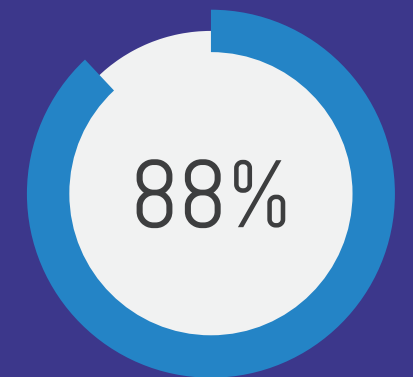

Why Registered Tech Apprenticeship?

-  No college degree or prior technical experience required for apprentices
-  No cost to the apprentice or employer for technical training
-  30% costs savings over traditionally-sourced talent
-  Trusted, vetted partner of the Department of Labor

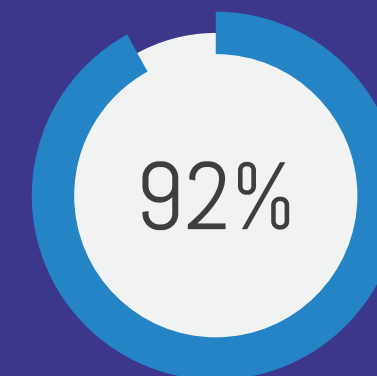

FAST FACTS:

93% of Apprentices Graduate from our Program

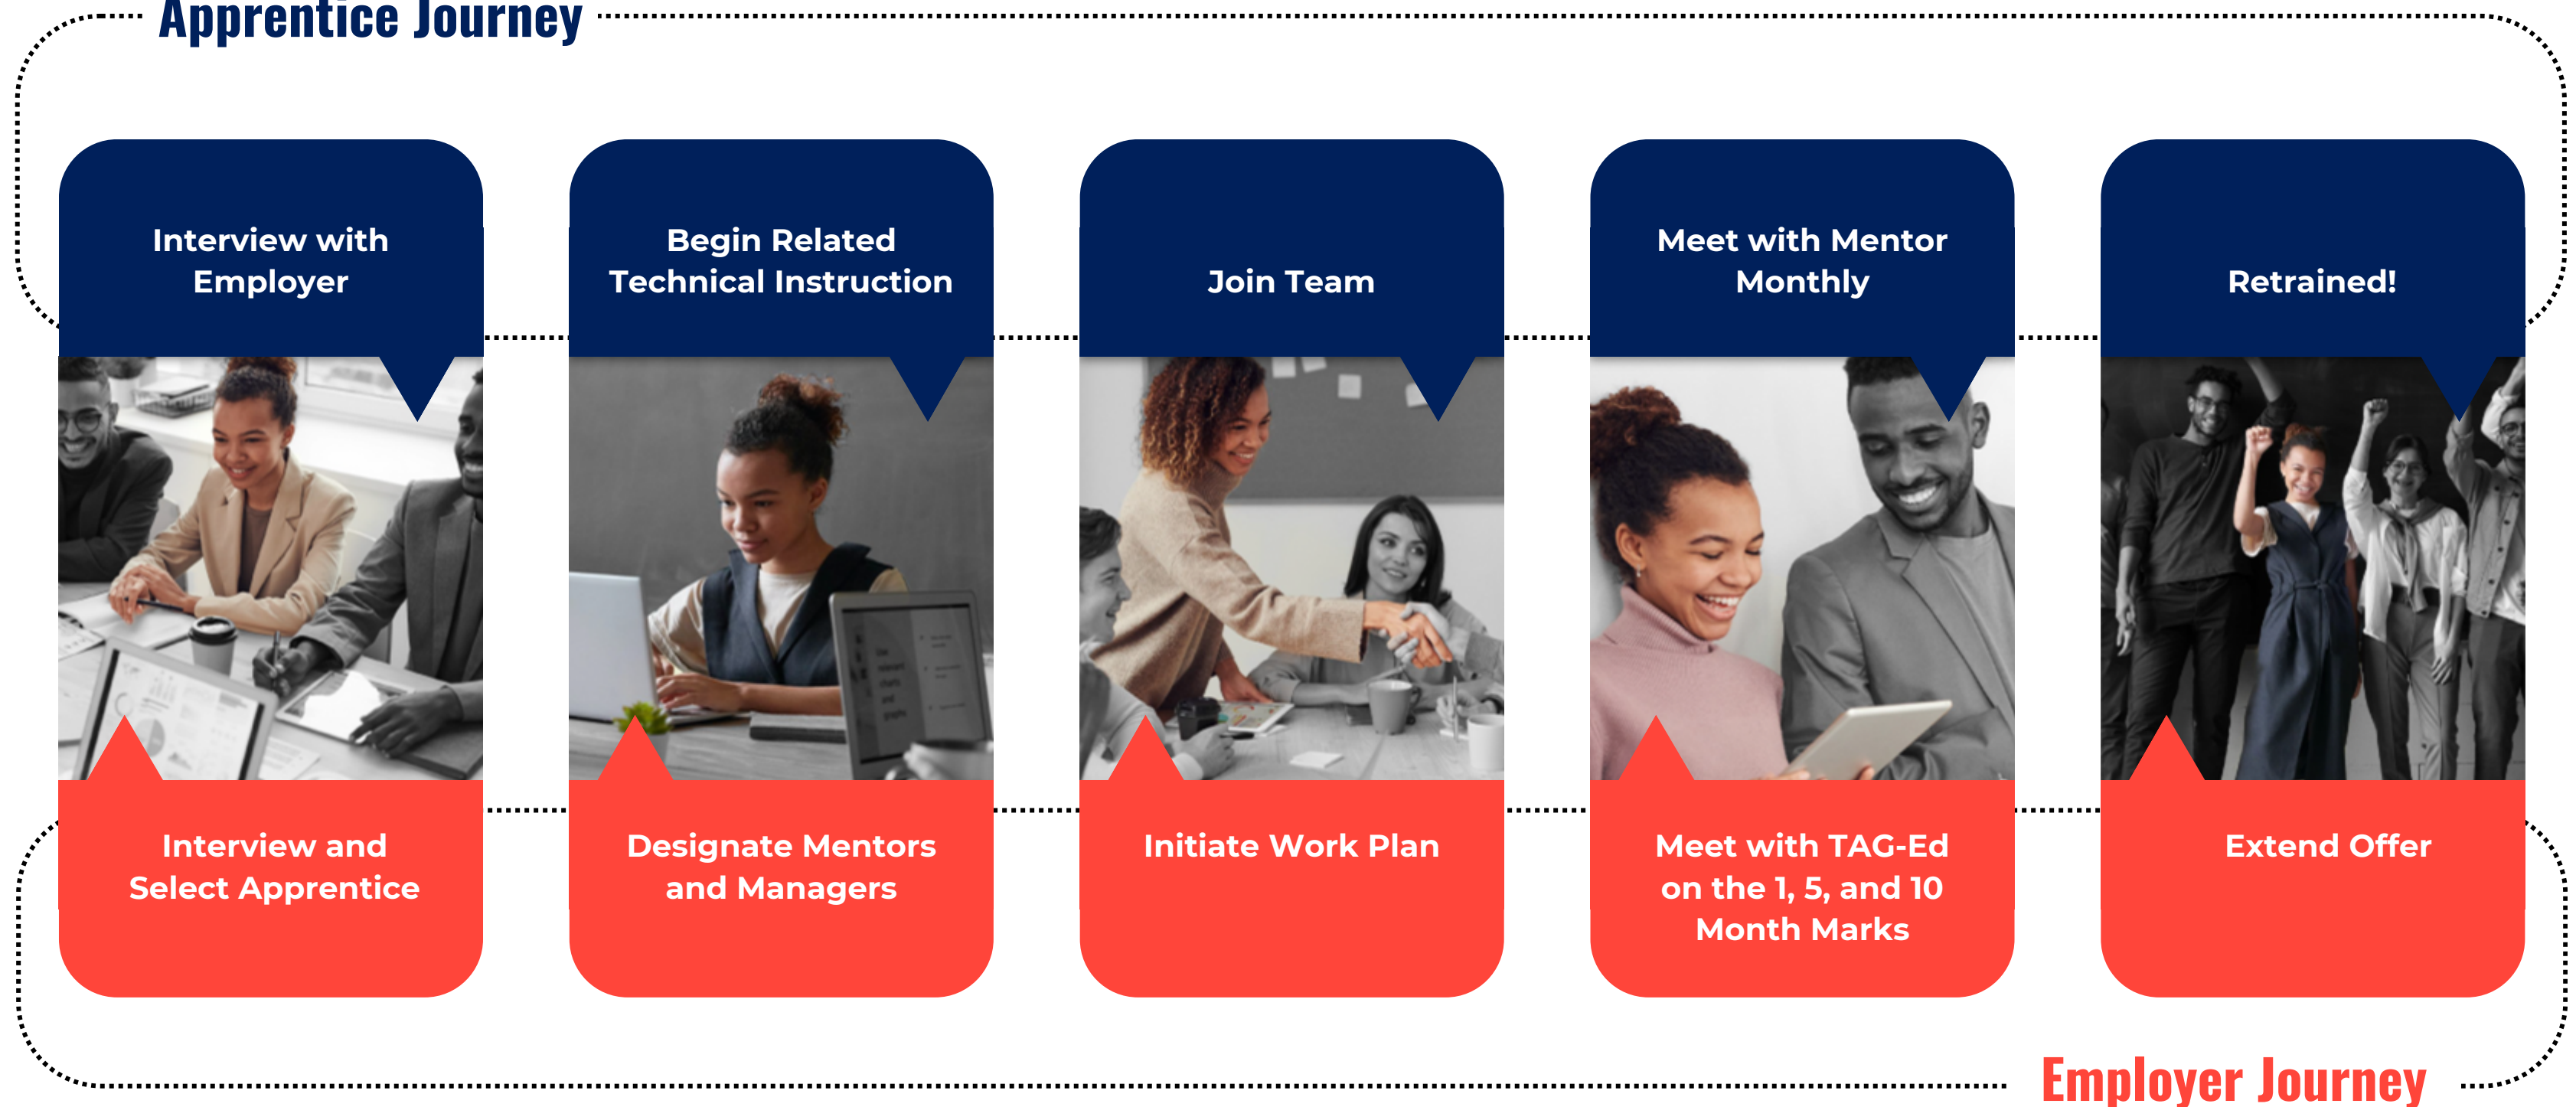

88% of Apprentices are Retained by Employers Post-Apprenticeship

92% of Apprentices are from Underrepresented Groups

- **Industry Focus:** Technology: Cybersecurity, Software Engineering, and IT Support Specialist
- **Duration:** 12 months with a blend of on-the-job training (6 months) and technical instruction (6 months).
- **Certification:** Apprentices earn industry-recognized credentials from the Department of Labor (DOL).

Apprentice Journey

Employer Journey

Employer Benefits

Pipeline of Talent: Access to individuals trained to meet your specific needs.

Cost Savings: On average, employers see a return of \$1.47 for every dollar invested.

Productivity: Apprentices contribute to projects while learning on the job.

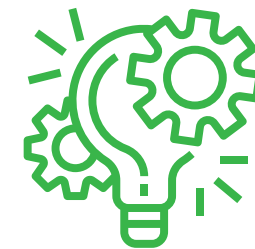

Apprentice Benefits

Earn While You Learn: Paid on-the-job training with no student debt.

Mentorship: Guidance from industry professionals.

Career Advancement: 94% of apprentices retain full-time employment post-program

Our program has made a measurable difference for both employers and apprentices:

- **87%** of employers state that apprentices are a valuable part of their workforce pipeline.
- **95%** of participating companies report improved productivity.
- **9 out of 10** apprentices secure full-time roles with their host companies.

Program Testimonials

“The Apprenticeship program has been a tremendous asset to our IT department, providing fresh perspectives and innovative ideas that enhance our capabilities. Through this program, we've been able to nurture and develop budding talent, contributing to the overall success and growth of our team. We are thrilled to be a part of this valuable initiative, which aligns perfectly with our commitment to continuous learning and development.”

**Recardo, IT
Manager, QGenda**

“Breaking into the tech field and having the immediate opportunity to work with a corporate healthcare workforce management company that is at the forefront of the field has been a dream and also a transformative journey for me. Despite the challenges that come with changing career paths, this experience has been profoundly educational and has opened my eyes to my potential for growth in the field. It's never too late to find your passion and place in tech, and I'm living proof that dedication and perseverance can lead to incredible opportunities.”
