

Pathways To Leadership

Who Should Apply? **3-10 years of management or 1-2 years of leadership experience**

Dates: **September 16, 2025- September 17, 2026**

Format: **Virtual, with onsite orientation and graduation**

Fee: **\$5,500 per person**

Learning Objectives:

1. Craft a **Strategic Technological Vision** that aligns technological trends and their impacts with overall business goals
2. **Build Cross-functional Collaboration** by coordinating with various departments, like marketing, operations, finance, and HR, to ensure seamless workflows
3. Foster a **Culture of Innovation and Creativity** that inspires experimentation and forward-thinking tech solutions.
4. Design **Talent Acquisition and Development** strategies to attract and retain skilled professionals in tech.
5. Address **Ethical and Social Implications** of the use of technology including: data privacy, security, algorithmic bias, and the responsible use of emerging technologies like artificial intelligence and automation.

How to Apply:

Candidates are chosen based on their **nomination** by an executive within their organization or community and P2L alumni. Interested individuals may also **self-nominate** at the link below.

Discounts are available for TAG Corporate members, corporate teams, and non-profit organizations.

Payment plans available upon request.
