INVEST CONNECT

Meet. Pitch. Partner.

TAG Invest Connect: Meet, Pitch, & Partner is an annual event that connects Georgia's tech entrepreneurs with capital funding and customer acquisition opportunities. In a shark-tank-style sales presentation, selected entrepreneurs present their products or services to corporate decision-makers from some of Georgia's top companies and seed to series A investors.

The 4th Annual TAG Invest Connect: Meet, Pitch, & Partner will take place on October 22, 2026

THE PROBLEM

Securing Funding

- *Underrepresented founders receive less than **3%** of US venture capital investment.
- **18%** of venture capital-backed companies are funded by female founders.

Understanding of Corporate Needs

AEO's 2024 Entrepreneurship in the Population (EPOP) Survey revealed that underserved entrepreneurs often lack access to business support services, including understanding customer acquisition strategies.

Through **TAG Invest Connect: Meet, Pitch, & Partner** technology entrepreneurs can gain valuable exposure, receive feedback from industry leaders, and potentially secure contracts/funding that can help them overcome their unique challenges.
