Technology Leadership Playbook Certificate (TLP)
PROGRAM FOR TODAY'S CHANGING LANDSCAPE

Program Overview

Technology Leadership Playbook is designed to provide practical contemporary leadership techniques to help navigate current issues facing technology leaders and executives. This virtual course explores current topics, using case studies, recent articles and research, and practical examples of IT leadership dilemmas that require critical thinking and decision-making tradeoffs. A graduate certificate will be attainable upon completion of the six-course program.

Who Should Attend

- Aspiring Tech Leaders
- Enterprise Program Directors
- VP and Directors of Technology
- IT Product Management
- Technology Executives
- Graduates of TAG Pathways to Leadership (P2L)
